This is confusing me. I was no longer concerned about the EPA employee Sheldon Muller and that this person Mueller is completely different.

Alan, I thought we had determined in our meeting with Phoebe that because of his last name being spelled differently it was not an issue.

Louise / ALL:

In the case of "Mueller" should we state "Mueller" NOT " Shelton Mueller"

I just want to make sure that not all of Sheldon's email box will be pulled in for the period. If he had play, we may want to consider how we need to have inclusive and exclusive statements.

I don't know about Perla, but all the rest are names of people or companies related to Sunnyside, i.e., Gold King and Mueller.

There are some names in the search term list that I am not familiar with. Some are obviously people, but some are not. Can you tell me if all of these terms refer to people, and any specific relationship they have to Sunnyside, the consent decree, and the Upper Animas situation.

- [redacted] Etter
- [redacted] Fearn
- [redacted] Gold King
- [redacted] Hennis
- [redacted] Hickenlooper
- [redacted] Jamison
- [redacted] Lewis
- [redacted] Mueller
- [redacted] Nathan
- [redacted] Perino
- [redacted] Perla
- [redacted] Peter Butler
- [redacted] Salazar
- [redacted] Schultz
- [redacted] Umphries

I am working from home and need this information to flesh out the search expressions I am creating.

Thank you,

Louise
